Coastal Shield Mutual Insurance (fictional)

NOTICE OF NONRENEWAL | Condominium Unit-Owners Policy (HO-6)

Named insured	Luis Herrera & Maria Herrera
Policy #	CSM-H6-0000000
Insured location	2290 Laurel Glen Dr, Unit 14, Garden Grove, CA (fictional)
Notice date	10/28/2027
Policy expires	01/15/2028 12:01 AM

We are writing to tell you that we will not renew your policy when it expires on the date shown above.

Reason for nonrenewal: The company is reducing its exposure in your area following a review of wildfire and catastrophe risk. This decision is not based on any claim or action by you.

What this means: Your coverage remains in force until the expiration date. After that date your property will NOT be insured by us. Your mortgage lender requires continuous coverage. If coverage lapses, your lender may purchase insurance on your behalf (force-placed insurance), which is usually much more expensive and is added to your monthly payment.

Next steps: Contact your agent or a licensed broker to find replacement coverage before the expiration date. You may also contact your state insurance department with questions.
